

## Pune Mirror Friday, March Real Estate Icons 2021

## NOURING THE BEST E REALTY SECTOR

he first edition of the Pune Times Mirror Real Estate Icons 2021 was everything that it was envisioned to be - an event where top real estate stakeholders were honoured in what was a star-studded evening. Held at Conrad Pune on Wednesday, the event was organised to recognise eminent developers who have attained renown in the city and beyond through their hard work and determination.

The event's chief guest Sanjay Raut, Shiv Sena MP and the party's spokesperson, applauded the awardees and the initiative, saying, "Real estate provides maximum jobs, gives maximum revenue to the state and the country I stand by them. Growth of the real estate industry means growth of the state and nation too.'

Raut further supported the real estate developers, "Everyone should buy property — be it in Pune, Mumbai or other cities. The real estate segment is providing housing, creating jobs. More and more people should invest in properties

Actress and television personality Hina Khan attended the Pune Times Mirror Real Estate Icons ceremo ny, adding a touch of glamour to the event. Hina gave away some awards, too. The gorgeous Kashmiri actress also commended the awardees for their work in the real estate industry.

"As an actor, I always get awards, but this is the first time I am giving away one. It feels surreal because the winners of these prizes are the best in the real estate business They have revolutionised design, architecture and introduced innovative homes. It is my absolute honour to felicitate such visionaries and real estate icons from Pune," said Hina.

Hina's words of encouragement further added cheer to the grand occasion, as she spoke from her heart. "I recently lost my father. It was only after his demise that I had time to get up close with builders, architects and real estate agents. I just bought a home, and that was when I realised how important it is to have a builder who understands your design sensibilities and your vision of a perfect home — a place that offers you warmth," added Hina.

The glittering event was hosted by popular personality Sachin V Kumbhar.

A zone-wise survey was carried out by Dexter Consultancy Pvt. Ltd to handpick the best real estate companies. The aim of the survey was to rank the finest organisations in each zone in the city, and the result was tabulated through three primary modules like perceptual rating survey, factual survey and desk research. The collected data was evaluated to grade the real estate companies that participated in the survey

The Pune Times Mirror Real Estate Icons 2021 was co-powered by RE MAX V 21 and Mahindra Powerol Ltd. (Shyam Global Technoventures Pvt Ltd — OEM). The associate sponsor was Daily City News, Pune.

Shiv Sena MP Sanjay Raut graced the occasion as the chief guest
